What Does the Fundraising Support?

Beyond providing great opportunities for fellowship time, our events are used as fundraisers to support the school. Our main fundraising goal for the 2018-2019 school year is to cover the cost and installation of a shade structure over the playground equipment. The PTL also provides support for:

- The playground fund
- Teacher supplies and classroom programs
- The Teacher Christmas Breakfast
- Staff Appreciation Week
- The scholarship fund
- And so, so much more
